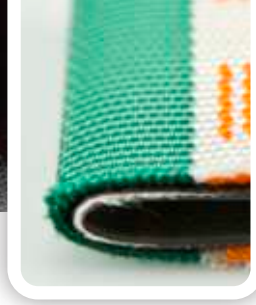
BullDog
HOSE COMPANY

PERFORMANCE FIREFIGHTERS DEPEND ON.

American Made Tough.

BullDog Hose Company, part of Puck Enterprises, is a legend in firefighting hose technology. With a commitment to firefighters that is unparalleled, BullDog is at the forefront of fire hose design and construction. From our earliest hose to Hi-Combat®, Firepower™, Hi-Vol and Ultima, our dedication to constant research and development has positioned us as a premier innovator in fire hose products. BullDog, the hose of choice for the majority of fire departments throughout the USA, has come to stand for high performance, durability and safety, with American-made products that are built to last. BullDog is a quality manufacturer of firefighting hose and flexible pipeline systems.

SETTING THE STANDARD FOR EXCELLENCE.



Excellent Kink Resistance & Lowest Drag Coefficiency

Superior Abrasion Performance

Anti-Burst Technology With a ½" Hole

Chemical & Water Resistant Liner

Excellent Heat & Cold Resistance

HI-COMBAT®

Ultimate Aggressive Interior Attack Fire Hose

Hi-Combat® is the ultimate in firefighting hose technology for aggressive interior combat operations. Its unique design gives combat firefighters the performance, flexibility, and endurance to deal with the toughest challenges. A special weave, high-tech nylon-polyester outer jacket encases an inner lining consisting of a one-piece, extruded-through-the-weave hose for optimum performance and reliability.

Size			Pressure						Bowl Size	Weight (50'/15M)		Coil Diameter (50'/15M)

BullDog HOSE COMPANY AmericanMadeTough.

SUPERIOR PERFORMANCE.

Unrivaled Kink Resistance

Superior Abrasion Performance

Significantly Reduces Drag

Superior Water Resistant Outer Jacket

Six Times More Heat Resistance

FIREPOWER™

Aggressive Interior Attack Fire Hose

Firepower™ is an extremely durable double-jacketed hose made from a high-tech nylon-polyester outer jacket, with durability and flow that make it an invaluable firefighting tool. This product has excellent packing capabilities for a premium hose and improves hose-handling applications with an easy-to-grip material.

Size		Pressure					Bowl Size	Weight (50'/15M)		Coil Diameter (50'/15M)

ENGINEERED FOR DURABILITY AND FLEXIBILITY.

Unrivaled Kink Resistance

Superior Abrasion Performance

Lightweight, Durable & Flexible

Superior Water Resistant Outer Jacket

Excellent Heat & Cold Resistance

ULTIMA™

Double Jacket Rubber-Lined Attack Fire Hose

BullDog Ultima™ is a durable, double-jacketed hose constructed with staple-polyester, both warp and filler, and lined with a high-tech EPDM tube. Its engineered design guarantees minimum weight with maximum durability and packability with minimal friction loss. Available with Armour Jacket coatings in red, yellow, orange, blue, green and tan.

LIGHTWEIGHT. COMPACT. DURABLE.

HI-VOL®

Large Diameter Supply Hose

Hi-Vol® is a tough supply hose that maintains excellent water flow. It is the premium extruded-through-the-weave, large-diameter, nitrile-rubber hose with the ability to deliver more water. This supply hose is compact and durable with a high resistance to oils, chemicals, UV and ozone. A tough, high-tensile cover and lining, permanently interlocked with the synthetic reinforcement, provides greater abrasion and puncture resistance, along with unmatched kink resistance.

Superior Efficiency, Delivers More GPM

Superior Abrasion Performance

Lightweight & Flexible, Easy to Handle

Smooth Inner Liner Reduces Friction Loss

IMPROVED PACKABILITY, HI-VISIBILITY.

Ultra Lightweight & Compact

Superior Abrasion Performance

TPU Construction and Ultra-Smooth Liner Reduces Friction Loss

HI-VOL TPU™

Large Diameter Supply Hose

Hi-Vol TPU™ is an extruded-through-the-weave TPU hose that provides excellent abrasion resistance, reduced weight, and improved kink resistance in comparison to rubber, as well as UV and ozone resistance. The smooth finish allows for easier deployment and retrieval. Hi-Vol TPU is the next generation of supply hose.

Unrivaled Kink Resistance

Superior Abrasion Performance

Lightweight & Flexible, Reduces Drag

Anti-Burst Technology With a ½" Hole

Excellent Heat & Cold Resistance

RED/YELLOW CHIEF®

Heavy Duty Attack Hose

BullDog's exclusive heavy-rib outer cover combines with a unique nitrile-rubber, PVC-through-the-weave construction to provide the backbone of excellent hose performance in Red Chief® and Yellow Chief®. The heavy-rib construction makes the hoses highly resistant to cuts, punctures, and abrasion. Red Chief and Yellow Chief are ideally suited to meet the specifications and tough demands of most municipal fire departments.

HI-POWER™

High-Rise Fire Hose

High-rise firefighting has unique tactical and equipment requirements. While weight is important, functionality and ease of use are far more important. Reliable hose performance is crucial in high-rise environments, and Hi-Power™ delivers. Engineered by BullDog, Hi-Power is an ultra-lightweight, maneuverable, nitrile-rubber hose designed specifically for fighting fires in high-rise buildings.

Low Pressure Loss

Resistant to Harsh Environments

WAT-HOG

Fuel & Water Delivery Hose

A premium flexible layflat hose designed for the transfer of fuel, wastewater, sewer, treated, and reclaimed water; WAT-Hog features a unique through-the-weave one-piece construction, comprising a circular woven high-tenacity polyester reinforcement, totally encapsulated in a tough elastomeric polyurethane cover and lining.
